## Why choose Brighte?

Our mission is to make paying easy, so you can live your best life today.

### The Brighte Green Loan is made for our customers in mind!

#### A fixed interest rate!

A fixed interest rate means we won't change the interest rate on you!

#### Fund purchases between \$1k to \$30k

Our fixed interest rate is the same, regardless of the amount you need to borrow

#### Repay over 2 – 7 years

You choose the loan term and repayment amount that works for you

#### Make additional repayments

We understand the benefits of making additional repayments. You can pay the Brighte Green Loan off quicker at no additional cost

### Get your project started today!

## How it works

Making your home energy improvement projects easy, from start to finish

#### Step 1: Decide on your purchase

Agree with your vendor on the products you are purchasing.

#### Step 2: Be referred for the Brighte Green Loan

Your vendor will refer your contact details to Brighte. We will be in contact with how to complete your application online.

#### Step 3: Complete your application

Once you provide all the required documents, you receive an outcome within 1 - 3 business days and your loan contract.

#### Step 4: Start your repayments

Once the job is complete, Brighte will pay your vendor, this activates your Brighte Green Loan and your repayments begin in 28 days!
